*The Omnibus Budget Reconciliation Act of 1993 includes a provision which denies the tax deductibility of lobbying expenses and introduced new rules affecting tax-exempt organizations that conduct lobbying and political activities.*

*As mandated by this law, we must estimate the percentage of dues income which will be expended on lobbying activities during 2016-2017. That amount becomes taxable for federal income tax purposes.*

*UPSA cannot absorb the tax. Therefore, we are obligated to inform you that 20% of your dues is non-deductible.*
